

PLATINUM PROMISE™ LIMITED WARRANTY

100% Coverage. 100% Protection.

PROTECT YOUR HOUSE WITH AMERICA'S NO.1 SHINGLE BRAND

A new roof is a significant investment. Now you can be sure it will be protected for years to come with the Owens Corning Platinum Promise™ Limited Warranty.* This warranty is available exclusively through Owens Corning Platinum Preferred Contractors—some of the most qualified professionals in the industry. Their craftsmanship is fully supported by Owens Corning, a trusted, well-established leader in the industry. That's a promise.

GET UP TO 15 YEARS OF 100% COVERAGE ON YOUR ROOF

The Owens Corning *Platinum Promise* Limited Warranty provides complete, 100% coverage of both materials and labor for up to 15 years (depending on the shingles installed). Owens Corning will warrant application and your Platinum Preferred Contractor's labor for 10 years on all 20-, 25- and 30-year shingles, and for 15 years on all 40-year, 50-year and Lifetime shingles.*

SAFEGUARD THE ENTIRE ROOF

A healthy roof consists of many parts. When you purchase the Owens Corning *Platinum Promise* Limited Warranty, every component of your Owens Corning Roofing System is covered by an extended warranty to match the shingles installed. Think of *Platinum Promise* as a way to extend the warranty life of the roof's components—so they are guaranteed to be covered for as long as the shingles are.*

WE'LL TAKE CARE OF THE LABOR AND NEW MATERIALS—PLUS REMOVAL AND DISPOSAL

If the performance of any component of your Owens Corning Roofing System is affected by a manufacturing defect during the shingle warranty period, both new materials and labor (to install) will be covered. That's a significant advantage you only get with the *Platinum Promise* Limited Warranty. Standard warranties only include labor for a limited period of time.* The *Platinum Promise* Limited Warranty also covers tear-off and disposal of any defective shingles, something that most warranties don't cover.

See the chart below for more details.

DETAILS OF PRORATED AND NON-PRORATED WARRANTIES:

- Prorated warranty—Primarily covers the materials. The full replacement cost is gradually reduced in proportion to the length of time the shingle has been in service. (For example, if a shingle with a 20-year warranty has been on a roof for 10 years, a homeowner will receive half of the value of the shingles.)
- Non-prorated warranty—Covers new materials **and** the cost of labor for different time spans, depending on shingle type.

*See actual warranty for complete details, limitations and requirements. Eligibility is restricted to single-family residential dwellings owned and maintained by the consumer.

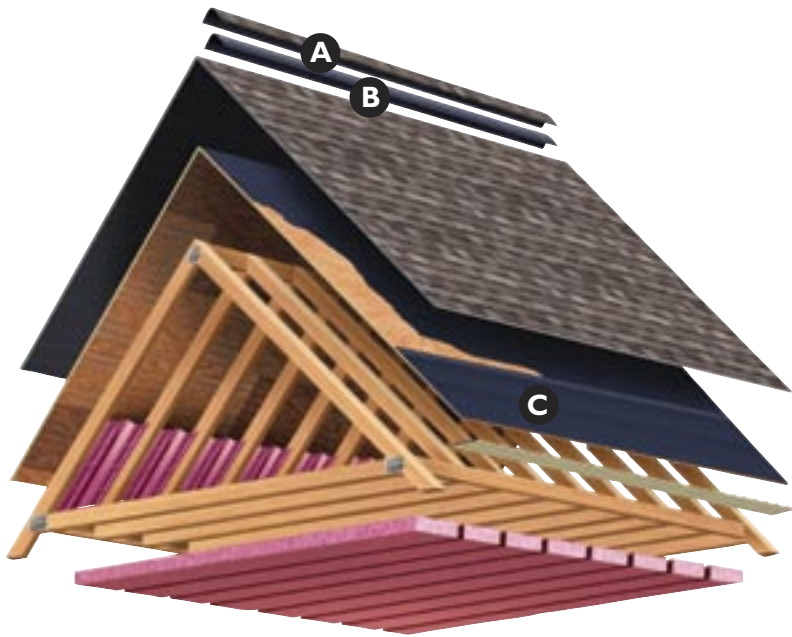

**Available on a regional basis.

†Labor is **not** included after the non-prorated period is expired.

††Labor is included after the non-prorated period is expired.

NOTE: Owens Corning does not warrant non-Owens Corning products.
